

# Programs

## **Protection and Advocacy for Individuals with Developmental Disabilities (PADD)**

PADD serves people with a developmental disability which is a severe and chronic cognitive or physical condition that begins before age 22 and results in at least three functional limitations.

## **Client Assistance Program (CAP)**

CAP serves people who have applied for or are getting services from the West Virginia Division of Rehabilitation Services, a Center for Independent Living, or other programs funded under the Rehabilitation Act of 1973, as amended, as well as provides information about the employment title of the Americans with Disabilities Act (ADA).

## **Protection and Advocacy for Individuals with Mental Illness (PAIMI)**

PAIMI serves people with significant mental illness or emotional impairment.

## **Protection and Advocacy for Beneficiaries of Social Security (PABSS)**

PABSS serves people who receive SSI or SSDI, and are experiencing barriers in getting or keeping employment.

## **Protection and Advocacy for Assistive Technology (PAAT)**

PAAT serves people with disabilities to get the assistive technology devices and support services they need to maintain or improve their skills and independence.

## **Protection and Advocacy for Individual Rights (PAIR)**

PAIR serves people with disabilities that substantially limit one or more major life activities who are not eligible for advocacy under other federal programs.

## **Protection and Advocacy for the Voting Act (PAVA)**

PAVA carries out the mandate of the "Help America Vote Act", legislation passed to ensure that individuals with disabilities can fully participate in the voting process.

## **Protection and Advocacy for Traumatic Brain Injury (PATBI)**

PATBI services people with traumatic brain injury.

## Who we are

West Virginia Advocates, Inc (WVA) is a private non-profit agency dedicated to protecting and advocating for the legal rights of West Virginians with disabilities. We are designated as West Virginia's Protection and Advocacy System (P&A). Every State is mandated by the Federal government to have a P&A.

WVA works to ensure that West Virginians with disabilities have access to the same opportunities afforded all members of society, and can live full, productive lives totally integrated into their communities with as much self-direction and independence as possible.

WVA collaborates to promote systemic and policy change to increase access to services, promote equality, and protect legal rights.

**WVA services are confidential and free of charge.**

## We help people with disabilities by:

- giving information and providing referrals
- investigating abuse and neglect
- providing direct advocacy
- providing training on self-advocacy
- providing legal representation
- engaging in systemic advocacy and litigation

## We do not provide legal representation for:

- issues of family or criminal law
- bankruptcy
- probate of an estate
- personal injury
- eligibility for Social Security benefits
- guardianship
- non-disability issues

## Intake Process

1. Contact WVA to request our services:
  - Phone: 1 (800) 950-5250
  - E-Mail: [contact@wvadvocates.org](mailto:contact@wvadvocates.org)
  - Mail: 1207 Quarrier St Ste 400, Charleston, WV 25301
2. An intake advocate will make all reasonable efforts to contact you within three business days to do an intake. They will then present your request for services to the Intake Review Committee.
3. The Intake Review Committee meets weekly to review all requests and determine what services WVA can offer you. You will receive a letter containing the Intake Review Committee's decision once your request has been reviewed.

Note: Service requests identified as an emergency that are received during the normal business hours are processed immediately if they are related to abuse and neglect allegations involving imminent danger; life-threatening emergencies; and termination of services, evictions, and hearings occurring within 7 days.

## Types of Services

- Abuse/Neglect Investigation
- Information and referral
- Technical assistance in self-advocacy
- Short term assistance
- Representation at meetings
- Representation at hearings
- Litigation

## Notice

WVA serves individuals with disabilities including persons with mental health, developmental, intellectual, and physical disabilities, as well as traumatic brain injury. WVA's Intake Department will provide Information and Referral services to anyone who requests assistance. WVA's acceptance of direct advocacy and legal cases is determined by a variety of criteria including disability related eligibility criteria established by our funders, our current priorities and objectives, as well as available resources. Due to limited resources, we cannot provide everyone who requests our services with direct advocacy or legal representation.
